

**WINE CREATED WITH
ARTISANAL**

INTELLIGENCE

trUe
HUMAN
WiNE

There is a wine,
born of a migrant culture,
that has crossed centuries and continents.
The seed it comes from has evolved
and blended a thousand times,
and here, today,
with the same determination,
this wine **EXISTS** and **RESISTS**.

There is a half-full glass
to set adrift in,
of this wine that is a **SELF-PORTRAIT**
and a logbook,
that has forged farmer's hands,
and tells the stories of people and lands.

It embodies ferment and harmony,
traces new paths and weaves bonds
that cling to you like clay
to your boots.

WINE
that is **HUMAN** above all.

FOR
WHAT
IT'S WORTH
IT WAS WORTH
ALL THE WHILE

Off the beaten track.
Far from any harbors.
FAR FROM THE MOST OBVIOUS CHOICES.

Here you learn to navigate by the stars,
there are no safe routes,
the current runs against you
and the rocks lie just below the surface.

Yet right here we've found our treasure.
Here we've learned to disobey.
WE BECAME PIRATES.

Here, on the invisible paths
we trace through the vineyards
where the earth smells of sea and forest,
we've found something unique.
OUR TERROIR.

TERROIR MEDITERRANEAN.

- Close to a stream and an extensive forest
- Constant exposure to Mistral and Libeccio sea winds

A BOTTLE IS
A PRISON FROM WHICH
GOOD WINE
DREAMS OF ESCAPING

WINE IS MEANT TO BE UNCORKED
and placed at the center of the table.

Wine is conviviality and sharing.

That is why
OUR TERROIR IS ALSO MADE UP OF PEOPLE,
friends, and warm hugs.

OUR TERROIR IS YOU,
who have uncorked one of our bottles at least once.

ceci n'est pas une grappe de raisin

NOT
ALL THOSE
WHO
WANDER
ARE LOST

El vino de dios?

Azteca Stadium, Mexico City, June 22, 1986

His fist shoots up to the sky, and the underdog from the slums of Buenos Aires
rips the smug grin off soccer's aristocracy.
Four minutes later - deaf to the roar of boos -
he draws a miracle of geometry on the green field
and rips silence from that same arrogant aristocracy.

WE MAY NEVER WIN THE WORLD CUP,
BUT WITH OUR BOTTLES
WE TRY TO STIR THE SAME EMOTIONS.
